Description

Spear & Jackson Razorsharp Advantage Telescopic Tree Pruner

The Razorsharp Advantage collection features a precision range of cutting tools and the obvious choice for gardeners who demand and expect, precise, powerful performance

This S&J Tree Pruner features a SK5 carbon steel upper blade for lasting sharpness and combines with a Lopper for cutting smaller branches up to 30mm alongside a built in saw for larger ones.

Reaching variable heights, the telescopic action can extend to a maximum length of 92" and a great choice of multi tool for any Arborist or Gardener.

Size - H72 x W30 x D3cm.

Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
