

Spear and Jackson Wooden Handle Shears

41-76617

Our Price: £38

Description

Spear and Jackson Wooden Handle Shears

These Spear and Jackson Shears are razorsharp and feature hollow ground C50 carbon steel blades for lasting sharpness.

The blades are notched for improved performance whilst cutting thicker stems and chrome plated for rust resistance.

The ergonomically designed wishbone shaped hedge shears have weatherproofed hardwood handles for ease of use.

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
