

Parasene Galvanised Steel Incinerator

31-02424

Our Price: £29.99

Description

Parasene Galvanised Steel Incinerator

A robust galvanised Steel Incinerator for easy and effective disposal of garden waste and other flammable refuse such as private documents.

Easy to assemble, the unit can be relocated **when cold** using convenient side handles and features a huge 90 litre capacity with x18 extra large holes for efficient burning.

Three self-assembly legs raise the incinerator off ground to protect the surface underneath and comes complete with fitted lid incorporating chimney & side handle for safe use.

We have a great range of products to help you create your perfect garden, so why not browse our huge **Garden Collection** today.

Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
