## Le Chameau Men's Country Cross Neoprene Boots

Handcrafted from start to finish, these neoprene lined boots are ideal for year round wear and whatever the weather your feet will stay warm & comfortable all day long.

Offering sure-footed traction on uneven, slippery, muddy and soft terrain, a dual density cross sole absorbs shock to help support and cushion every step.

Designed with a little more leg room for active adventures plus we understand, one size does not fit all, they come stylishly finished with contrasting trim detail and logo branding.

Available Sizes: 6/39-12/47.
