

Britains Radio Controlled New Holland T6.180 Tractor 1:16 Scale

47-95170

Our Price: £58

Description

Britains Radio Controlled New Holland T6.180 Tractor 1:16 Scale

Perfect for any aspiring young farmer to bring the farm to life, this New Holland T6 tractor features a working horn, cab lights & realistic engine sounds alongside all the original tractor details including wing mirrors, hazard lights, front weight and hitch for compatible towing of other 1:16 Britains Big Farm trailers.

Forwards, backwards, left and right, head off wherever the farm needs you and can be played alongside the **John Deere** Farm radio controlled tractor as they operate on different channels.

Big Farm models are more than tough enough to take on any outward bound activity inside or outside the home and provide endless imaginative development play, so if your child can go there Big Farm can too!

The 27 MHz handset requires 1 x 9-volt PP3 battery; the tractor requires 4 x AA batteries.

Approx. dimensions: 30 x 18 x 19cm.

Suitable for ages 3+.
