Our Price: £21.6

Description

STEIN Off-Set Oval SuperSafe 25kN Aluminium Karabiner

The STEIN Oval SuperSafe 25kN Karabiner weighs 85 grams and is rated with an impressive breaking strength of 25Kn. Its shape works well with both standard and advanced hitch systems especially when climbing with a hitch advancing pulley. The rounded basket and crotch balance the load centrally through the body of the karabiner. Additional care should be taken to avoid side loading good for use on climbing lines up to 13mm.

We have a great range of products to help you with your domestic or commercial projects. Choose by online or the 'click and collect' option and pick up from your local store. At Ernest Doe you can buy with confidence.

Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
