

STEIN Skyline 50m Throw Line – UHMwP

SN-SS-1R5010-PP

Our Price: £24

Description

STEIN Skyline 50m Throw Line - UHMwPE

The STEIN Skyline 50m Throw Line - UHMwPE is manufactured from UHMwPE which stands for Ultra-High Molecular Weight Polyethylene otherwise known as Dyneema. Available in different thicknesses with average breaking strengths ranging from 250kg to 450kg. This line has an 8-strand flat construction which allows it to be stored neatly and when deployed reduces the nesting issues associated with inferior lines.

Colours may vary.

We have a great range of products to help you with your domestic or commercial projects. Choose by online or the 'click and collect' option and pick up from your local store. At Ernest Doe you can buy with confidence.

Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
