STEIN Skyshot Pro Throw Bag

SN-SS-5050076220P

Description

STEIN Skyshot Pro Throw Bag

The STEIN SKYSHOT PRO is the next generation of throw weight design, manufactured using precision laser cut CORDURA Fabric with the process heat sealing all the cut edges preventing the material edges from fraying internally during use.

Each weight is sized accordingly and colour coded depending on the individual weight, each weight is manufactured using two colours of CORDURA Material with all seams dual stitched for increased strength.

SKYSHOT PRO has an aerodynamic design to help increase your throw distance and punch through the tree canopy.

Fitted with a smooth Nickel Plated 'D' ring for easy attachment of the throw line and standard webbing loop on the bottom allowing two weights to be connected.

Available in 220g-8oz & 460g-16oz Weights.
