

Vitax Powdered Garden Lime 20kg

31-29112

Our Price: £19

Description

Vitax Powdered Garden Lime 20kg

This easy to use Soil Conditioner neutralises acid and sour soils, enabling beneficial soil bacteria to flourish and release the essential plant foods normally 'locked in'.

Suitable for all soil types, adding a much need source of calcium & magnesium, Garden Lime can help to improve the drainage on particularly heavy clay soils and also reduces the risk of club foot in cabbages and other brassicas.

In addition to conditioning, Garden Lime can also be used to speed up the composting of garden waste.

Keep out of reach of children, pets and foodstuffs.

Always read the label before use and store in a dry place.

We have a great range of products to help you create your perfect garden, so why not browse our huge **Garden Collection** today.

Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
