Description

Weedol Path & Gravel Control (Ready to Use) Power Sprayer 5L

This innovative battery powered power sprayer has a one touch continuous spray with effortless trigger action and extended reach delivering a wide, accurate spray.

Pre-mixed formula, ideal for use on gravel paths, driveways, permeable patios, along fences & wall as well as around established trees & shrubs.

Once sprayed, the active ingredient 'Pelargonic Acid' starts to work immediately with visible results in 2-3 hours, depending on weed type & conditions.

Ideal for spot treatment. Naturally breaks down in soil, leaving area ready for replanting in just 3 days.

Treats up to 165 m². Apply at 30 mL/m². For best results use April - November.

Battery included. Remove protective strip from battery compartment to activate. Gloves not included.
