Description

Lifestyle Heatforce Indoor Radiant Heater 4.2Kw

*** If you require cylinder hire please speak to your local store before purchase ***

Portable with no messy cables, this Lifestyle Heatforce Gas Heater has three variable heat settings to keep you warm & toasty throughout the winter months and equipped with a built in Piezo ignition for easy lighting.

Featuring a flame failure device & oxygen depletion system in case the oxygen levels fall too low, additional safety components include fitted castors for ease of moving from room to room and help prevent the unit from toppling over.

The product also includes a neat fold out bottle tray with back support to house & contain a 15Kg Butane Gas cylinder.

Overall dimensions: H72cm, W42cm, D43cm.

Please note whilst the image supplied from Lifestyle is Black, we feel the overall tone is more Anthracite Grey.

Not Compact enough? Take a look at the **Lifestyle Mini** version.
