Description

Ward Plastic Watering Can 10L (Assorted Colours)

Made from recycled plastics, this durable watering can is ideal for a variety of chores around the garden or allotment such as feeding beds, borders, pots & baskets.

Lighweight and easy to fill, it has graduated markings on the side for accurate dosing and can hold a large volume capacity.

Designed with ergonomic comfort handle and pouring spout ensuring a fast, continuous flow, a detachable sprinkler rose is included for those more delicate watering tasks.

Available in either Green & Red.

Priced per unit.

Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
