Description

Stihl Children's Battery Operated Toy Blower

Modelled on a full size Stihl Cordless Leaf Blower, this kids version mimics engine sounds with real life blowing action.

 $The \ ideal \ gift \ to \ encourage \ children \ to \ step \ outdoors \ and \ help \ out \ with \ the \ bigger \ chores \ in \ the \ garden.$

Just like the BGA 57, it features 3 length adjustments to help keep the blower tube close to the ground for optimum blowing force along with a removable battery for charging.

The light blowing force that makes for easy clearing of a few leaves, whilst the parents do most of the work!

No stereotyping either as lightweight to handle so both girls & boys can show no job is too mighty for them.
