Description

Buckler Boots Beezwax Leather Spray 200ml

Nourishes and nurtures all footwear leathers using a special blend of beeswax and coconut oil which also greatly improves water resistance and restores colour.

Suitable for any grained and fine or brushed and waxed leather; ideal for shoes, but also for large leather surfaces such as leather garments, bags and furniture.

Remove dust and dirt before use. Spray evenly from about a foot away but do not soak the leather. Wait for material to dry and only then buff off or brush up the surface.

Repeat for best protection results. Especially formulated for your Buckler Boots!
