To the delight of many, the signature Country Neoprene boot has now been perfectly recreated in children's sizes.

We know that children love to run, jump, climb trees and splash in puddles so with this in mind and no stone unturned, the team at Le Chameau have developed a range of children's boots providing all-day comfort.

Similar to all adult rubber boots, the PetitE collection is handcrafted from start to finish by a single master bootmaker with all the care and attention your little ones deserve and just like Mum or Dad's, boasts a super warm neoprene lining and adjustable waterproof gusset for the perfect fit around the calf.

Built for fun & adventures, this super quality boot assures a winter ahead of warm, dry feet whatever the weather or activity.

Children's Shoe sizes: 24 - 33 (UK 7 - 1.5). Please refer to the recommended size guide when ordering.
