Our Price: £10

Description

Hozelock 2055 Aqua Stop Connector Plus 12.5-15mm

Quick connect & durable, this Hozelock fitting is especially designed for both 12.5mm & 15mm diameter hoses.

Made using a combination of the highest quality materials and ultra tough engineering, a step ahead of the rest.

Best used at the hose end of the hosepipe, it features a triple locking system which is guaranteed to stay secure up to 10 bar with an ingenious flexible hose-tail to eliminate kinking, swelling & hose leaking.

Part of the quick click & connect system, the soft-touch pads provide a comfortable grip for easy connection / disconnection, even when wet.
