# Atco Liner 18SH Petrol Lawnmower

MT-AOMWLINER18SH

## Description

### Atco Liner 18SH Petrol Lawn Mower

The power-packing 145cc Autochoke Honda GCV engine combines increased lubrication with high-calibre materials and design simplicity to minimise maintenance and promote durability. Top-end OHV technology offers smooth low vibration operation with reduced fuel costs and reduced toxic exhaust emissions.

For ease of use, this mower comes with an ample 55-litre grass bag with a 'bag-full' indicator that collapses for convenient storage. For comfort, the soft-grip handlebars are fully adjustable with 2 height settings, so you can maintain the perfect posture as you create those all-important stripes.

With the power-driven rear roller, you can mow up garden inclines, tough patches of grass and rough ground with the utmost ease. Power your turns and protect your turf with the front-fitted, anti-scalp front skid plate and 5 pre-set heights of cut, adjustable from 20mm to 70mm. Finally, the handy hosepipe connection point makes removing corrosive underdeck debris a breeze.

Suitable for large lawns up to 1500m<sup>2</sup>.

We are an authorised [Atco](#) dealer and can provide full service back up and maintenance for your Atco equipment.
