Description

Honda UMS 425LN Curved Shaft Strimmer

Designed to deliver precise trimming and control

These brush cutters will make light work of unkempt undergrowth and hard to reach areas around the garden. With Honda's brush cutter range, there will be no stubborn undergrowth left to hide.

The cleverly angled head of the bent shaft brush cutters make light work of trimming those difficult areas around the garden. The lightest in Honda's range, it is quiet and easy to use thanks to the comfortable handles and tap and go nylon head.

We are an authorised **Honda** dealer and can provide full service back up and maintenance for your Honda equipment.

Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
