Description

Stihl GHE 250 Electric Garden Shredder

The STIHL electric shredder GHE 250 is a versatile machine ideal for anyone looking to keep all corners of their garden tidy. Whether plant trimmings or woody garden material – the blade shredder can shred hard, soft, long and wide clippings quickly, reliably and efficiently. The sandwich-type blade unit with Multi Cut disc can also effortlessly shred medium-sized branches up to 30 mm thick.

The powerful motor ensures smooth, efficient operation. The housing and feed chute provide a high degree of comfort and safety during operation. The large inclined feed chute makes it easy to feed foliage, branches and plant trimmings into the shredder. The STIHL GHE 250 electric garden shredder can be tipped onto its wheels and moved easily with 9 meters of cable.

Soundproofed Feed Tube – The large feed chute facilitates feeding of the STIHL shredder. The soundproofed feed chute reduces working noise when shredding in the garden. The integrated spray protection provides a shield against swirling dirt.

Touch Pad Switch – The housing of the STIHL shredder is fitted with a touch pad switch and an operating indicator to allow simple and intuitive operation of the garden shredder.
