Description

Buckler Blitz Tradez S3 SRC Lightweight Safety Lace Boot Black

Built to meet key on-site safety requirements, the Tradez Safety Boots provide exceptional protection with a metal-free toe and midsole, ensuring lightweight security without compromising strength.

Designed for all-day comfort, they feature cushioned insoles and a water-resistant membrane, keeping feet dry and supported in all conditions. The super-lightweight profile reduces fatigue, making them ideal for long shifts.

For added durability, the boots incorporate a thermoplastic polyurethane (TPU) heel and Achilles ankle support, while the Tradez grid pattern on the toe area enhances wear resistance, reinforcing high-impact zones for long-lasting performance.

Suggested Sector use: Construction, Trades & Utilities.

UK Shoe Sizes: 6 - 12.

We are able to offer zero rate VAT on safety boots purchased by an individual for his/her own use. Please use voucher code novat when you check out.
