Description

Husqvarna LC 140SP

LC 140SP is a self-propelled and easy to use mower, suitable for somewhat smaller lawns. Built with robust steel cutting deck and a reliable and easy-start Husqvarna engine it offers great cutting and collection performance. Soft-grip handle, foldable handlebar, central cutting height adjustment and ball-bearing wheels will give you both an ergonomic and comfortable cutting experience.

Ergonomic Handle - Ergonomic angle of the handle in combination with easy to reach bail arms makes operation easy.

Central cutting height adjustment - Quick and easy adjustment of the grass cutting height. One lever controls the whole deck.
