Description

Honda IZY HRN 536VY

The All-New HRN features many high quality features for enhanced user convenience.

- Perfect for large sized gardens
- GCVx 170 4-stroke engine
- Easy access to spark plugs, oil drain, air filter and extra large fuel filler, for better maintenance
- Newly designed, 53cm durable steel cutter deck, for optimised airflow and even better collecting and mulching performance
- Enhanced MicroCut twin blade system
- 70 Litre grass bag
- SMART drive variable speed control
- New ergonomically designed Versamow selective mulching system
- 7 cutting heights with 2-point easy adjustment handles
- Roto-stop Blade brake clutch
- Two-way ratchet system allows rear wheels to rotate freely for exceptional handling
- Easy quick-release handles with two mowing positions and folding for storage

Roto-stop – Stops the blades but leaves the engine running while you empty the grassbag or move across driveways with self propelled models

Versamow – With a single lever, Honda's Versamow system will collect the grass cuttings into the bag or finely shred and blow them down into the lawn to create a natural fertiliser or the perfect mix of both

SMART Drive – SMART drive is designed to give you fingertip control allowing you to adjust the speed control for greater accuracy

We are an authorised **Honda** dealer and can provide full service back up and maintenance for your Honda equipment.
