Our Price: £339

Description

Echo PAS2620ES Power Unit

The PAS-2620ES Multi-tool system has a 25.4cc heavy duty ECHO engine connected to a half length driveshaft. It features Easy Start for almost effortless starting, a loop handle and grouped cluster controls.

Seven optional tools can be fitted quickly and easily, simply by pushing and tightening the preferred attachment to the engine unit.

This product is part of ECHO's X Series range of "best-in-class" products. [Click here](#) to find out more about X Series.

25.4CC Premium Grade Echo Engine - Increased performance, extended product life and less downtime.

Echo PAS2620ES Power Unit

XH-FCPAS2620ES

Easy Start - Spring assisted starting system for quick, almost effortless starting. Just one or two gentle pulls of the recoil will start the engine. A warm engine will usually start with one half pull of the recoil rope.

Quick Change Coupler - Fix attachments simply by pushing and tightening.

Warranty - ECHO power tools come with a five year domestic warranty or a two year warranty in professional use (registration of ECHO products and servicing are necessary to validate the warranty)
