Our Price: £60

Description

Walsall Shire 90L Polypropylene Builders Barrow Pneumatic Wheel

New from Walsall comes this innovative & cost effective Barrow in Box design, meaning you don't need to miss out having a premium quality wheelbarrow at your fingertips.

Easy to assemble and perfect for a whole host of gardening jobs & light duty building tasks, standout features include a welded 30mm diameter tubular frame with tipping nose, galvanised heavy duty front stays, ribbed Polypropylene tray and a high impact 350mm pneumatic wheel offering a smooth and balanced ride across slippery & uneven terrain.

In support of 'British made Brands', a versatile addition to the outdoor shed that does exactly what it says on the Box!

Packaged dimensions: 89 x 27 x 60cm.

Maximum recommended load capacity: 120kg

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
