Description

Eclipse 2760C Compact Heavy Duty Lever Arm Riveter

41-76201

Eclipse 2760C Compact Heavy Duty Lever Arm Riveter

For light industrial and engineering use, S&J riveter bodies and operating levers are manufactured from the finest pressed steel.

Jaws, nose bushes and similar stressed parts are hardened and tempered.

40% lighter and more compact in size than traditional long arm Riveters.

Reinforced 2mm thick carbon steel heat-treated handle for extra strength and durability.

Contains rivet noses for use with 2.4mm, 3.2mm, 4.0mm, 4.8mm and 6.4mm Aluminium and steel rivets.

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
