## Description

### Karcher K3 Power Control Pressure Washer

Make light work of the toughest jobs this season using the K3 Power Control Pressure Washer.

Allowing you to switch between surfaces using the accessories and LCD display trigger gun, from rinsing away everyday mud from delicate paint work to blasting off stubborn dirt from the patio, this machine can tackle any task, fast.

Effortlessly apply detergent to increase your cleaning performance by using the integrated detergent tank located in the base and simply change the cleaning mode with a click and twist of the vario lance.

When finished, you can neatly store the power cable, high pressure hose & accessories via the board tool housing, and transport back into storage using the telescopic handle plus two smooth running wheels.

Always have Kärcher on hand with the Kärcher App, it contains everything you need from setting up your Kärcher K 3 Power Control Pressure Washer to step by step application guides. Tailor the app to your Kärcher K 3 Power Control Pressure Washer and accessories for the perfect cleaning result.

We are an authorised **Kärcher** dealer and can provide full service back up & maintenance of your Kärcher purchases through our extensive network of branches.

## Attributes

## Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
