Muck Boot Ladies Arctic Adventure Tall Boots Black-Tan

The Arctic Adventure winter boot is a welly with a difference and designed to keep feet warm & dry in extreme temperatures.

Combining cosy fleece-lining with the signature Muck Boot neoprene stretch-fit; these boots successfully trap warm air in & cold air out, whilst helping the boot stay snug to your calves.

The lightweight EVA midsole and rubber outsole are a perfect union for comfort and traction, making them ideal for everyday use.

UK Shoe Sizes: 3, 7 & 8. For half sizes, Muck Boot suggest ordering a size up.

Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
