

Stihl FSA 90 Cordless Brushcutter (Shell only)

SH-48632000001

Our Price: £310.01

Description

Stihl FSA 90 Cordless Brushcutter with Bike Handles

Battery and charger sold separately

Powerful, cordless, bike handle brushcutter for working on large areas of tough grass. Supplied with a 260mm, two sided grass cutting blade and double shoulder harness for comfort. The ergonomic control handle features STIHL ECOSPEED technology, allowing for partial load control and increased run times.

Stihl FSA 90 Cordless Brushcutter (Shell only)

SH-48632000001

Bike Handle - When used in conjunction with a harness, the bike handle enables a smooth mowing action. The bike handle allows the machine to be easily guided, making it ideal for working on large areas and thus reducing fatigue.

Stihl Ecospeed - STIHL ECOSPEED enables the user to control the brushcutter engine speed individually on the operating handle.

Safety Locking Button - All STIHL battery products have a locking button with which you can lock the device. This prevents the grass trimmer starting unintentionally when a live battery is inserted.

We are an authorised **Stihl** dealer and can provide full service back up and maintenance for your Stihl equipment.
