Our Price: £319

The 36cm cutting width is ideal for small lawns (up to 200 square metres) formal gardens with minimal slopes. Create perfectly sharp stripes with the integrated ribbed rear roller. For effortless mowing with great results.

**\*Mower only, Battery and Charger sold separately\***

## Description

### Hayter Hawk 36 - 553A - Cordless 60v Lawnmower Shell

Introducing the new Hawk 36 cordless lawnmower. This 36cm wide, battery mower starts at a push of a button and is ideal for someone who has a small garden (up to 200 square metres).

The Hawk 36 is really easy to manoeuvre and can be vertically stored away, reducing the amount of space usually required by a lawnmower by up to 70%. When used with a 2.5Ah 60V battery (Sold separately), this mower will have your lawn striped to perfection.

**Battery and charger not included.** Must be bought separately

Recommended kit: [102A 2.5 Ah 60V Battery](#) and [2.0 Amp Standard Charger](#)

- Enjoy a cordless mowing experience with no compromise on power with the high-performing Brushless DC motor.
- High performing cut and collection system uses the front and side fins to remove grass clippings once cut.
- Tough, high-impact ABS polymer underdeck for low weight, improved collection and reduced noise.
- One-touch height-of-cut button. Choose between seven different heights (19 - 70mm) for your desired grass length.
- Ergonomically designed Operator Presence Control (OPC) levers for comfortable mowing experience and easier handling, especially around small formal gardens.
- Easy to empty grass bag can be easily removed when the handlebars are folded in the upward position.

We are an authorised **Hayter** dealer and can provide full service support and maintenance for your Hayter product.
