Hayter 102A – 2.5Ah 60v Battery

HY-102A

Description

Hayter 102A 2.5Ah 60v Battery

Interchangeable across Hayter's entire cordless mower range.

The 2.5Ah battery is suitable for very light mowing and can also be used in Toro's Flex-Force Power System range of garden tools.

- The battery will only charge when it's the right temperature
- Built-in carry handle to easily remove and insert the battery into the mower or garden tool you're using
- Easy to read LED indicator light shows the battery's charge level.
- The onboard Power Boost technology optimises power output and overload protection in real time. Maximising battery performance and lifespan.

We are an authorised **Hayter** dealer and can provide full service support and maintenance for your Hayter product.
