Description

Hayter Hawk 43 – 554A – Cordless 60v Lawnmower

Introducing the new Hawk 43 cordless lawn mower. This 43cm wide battery mower starts at a push of a button and is ideal for someone who has a small garden (up to 300 square metres).

The Hawk 43 is really easy to manoeuvre and can be vertically stored away, reducing the amount of space usually required by a lawnmower by up to 70%¹.

Recommended to be powered by a 4.0Ah 60V battery, this mower will have your lawn striped to perfection.

Battery and charger not included. They can be bought separately here:

Recommended kit: [4.0AH 60v Battery](#) and [2.0 Amp Standard Charger](#)

- Enjoy a cordless mowing experience with no compromise on power with the high-performing Brushless DC motor.
- Easily carry from storage to lawn with the integrated carry handle
- High performing cut and collection system uses the front and side fins to remove grass clippings once cut.
- Tough, high-impact ABS polymer underdeck for low weight, improved collection and reduced noise.
- One-touch height-of-cut button. Choose between seven different heights (19 – 70mm) for your desired grass length.
- Experience a mower that starts first time, every time with the push of a button.

We are an authorised **Hayter** dealer and can provide full service support and maintenance for your Hayter product.
