Description

Hayter 104A – 4.0Ah 60v Battery

Interchangeable across the entire Hayter 60V Cordless range.

The new 4.0Ah battery is most suited for light mowing and can also be used in Toro's range of Flex-Force Power System range of garden tools.

- The battery will only charge when it's the right temperature
- Built-in carry handle to easily remove and insert the battery into the mower or garden tool you're using
- Easy to read LED indicator light shows the battery's charge level.
- The onboard Power Boost technology optimises power output and overload protection in real time. Maximising battery performance and lifespan.
- Ideal for light mowing and Garden Tool jobs
