Description

Sahara X13 Heat Focus Gas Patio Heater 13kw Teal

***** If you require cylinder hire please speak to your local store before purchase *****

The Sahara 13kw heat focus patio heater is perfect for keeping you and your guests warm and comfortable when entertaining outdoors.

Not only stylish but a revolutionary design too, the Aluminium reflector can be tilted to direct a wider spread of heat exactly where you want, so no more paying for wasted heat.

Constructed from high grade stainless steel, the unit features an instant ignition system and owing to variable heat controls, whether a large crowd or a party of two, you really are always in charge.

Fitted with wheels for easy mobility and hinged door allowing hassle free access to gas storage chamber.

Supplied with a hose and Propane clip on regulator, all important safety elements include an anti-tilt switch & flame failure device.

Reflector Diameter: 865mm; ideal for Small-Medium patio areas.

Overall dimensions: 2250(H) x 865(W) x 865(D) mm.

Assembly required.

Available for click & collect, courier or local home delivery so the only thing left to do is organise your Gas!
