Description

Sahara Standard Patio Heater Cover

Keep your patio heater protected from the elements all year round with a durable all-weather cover.

Made from a double layer, heavy weight material, it includes a waterproof inner lining plus full length zip for easy fitting.

Using this cover will help to keep the gas nozzle and venturi free from dust and insects.

The perfect companion for your 13kW Sahara Patio Heater but also suitable for most standard sized patio heaters.

Always allow the Patio Heater to completely cool down before fitting the cover.

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
