

Stihl AP300s Lithium-ion Battery

SH-48504006585

Our Price: £259.01

Description

The AP 300 S is a high capacity Lithium-Ion battery that will power any tool within the STIHL AP System. With an energy capacity of 281 Wh, this battery offers an impressive 25% increase in capacity compared to the AP 300, and with an Amp-hour capacity of 7.8, this battery will consistently power AP System tools for longer.

The four LED lights let you know how much charge is left within the battery.

We are an authorised Stihl dealer and are one of the first to stock the new Stihl cordless range. Why not [click here](#) to check our wider range of Stihl products?
