Where you can buy with confidence

Our Price: £607

Description

Meet the 'Izy-On' range.

Fitted with a brushless EC Motor and running off a Thermo-Smart battery, this product is supplied with a high continuous current and therefore provides a stable RPM in all conditions. So ... don't be mislead into thinking our DC lawnmower won't provide you with the power you need. Honda's first cordless lawnmower range absolutely rivals their petrol mowers. These lawnmowers are built with a durable steel frame, fully weatherproof and what's more, low noise.

PRODUCT OVERVIEW:

- **Cutter Deck Size:** 18" / 46cm
- **Garden Size:** For medium gardens up to 450m²
- **Deck Type:** Pressed Steel - This deck type is lightweight for easy manoeuvrability whilst still being hard-wearing and resistant to corrosion and UV rays
- **Transmission:** Single Speed - This lawnmower will self propel itself at one speed
- **Rear Roller:** Not available
- **Rotostop:** Not available
- **Mulching:** Versamow Selective - You can choose whether you want to collect the grass cuttings into the bag or finely shred them onto the lawn
- **Powertrain:** Powered by our Universal Battery System

We are an authorised **Honda** dealer and can provide full service back up and maintenance for your Honda equipment.
