

Corona SL6500 32" Super-Duty Bypass Lopper 3" Cut

39-69057

Our Price: £100

Description

Corona SL6500 32" Super-Duty Bypass Lopper 3" Cut

Designed for long lasting use, this 3" cutting capacity Bypass Lopper makes light work of those really heavy duty arboricultural tasks.

Featuring a resharpenable and forged radial arc bypass blade, it is the perfect looper for out of reach growth, larger stems and even small branches.

Constructed with lightweight, high-strength aluminium handles, non-slip cushioned grips plus shock-stop bumper to reduce arm and shoulder fatigue.

Overall dimensions - 2.5 x 2.5 x 73.7 cm

Weight - 1.2 kg

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
