Description

Portek No Glug Fuel Can 10L & 20L

Pouring fuel has always been a problem. . . **not** any more with the No Glug fuel can and ideal for petrol, two-stroke and other liquids.

Manufactured from high quality galvanised steel with a hand grip on the base for stability.

Innovative features include an Aluminium threaded cap with seal and adjustable air Vent for glug free pouring.

Includes a filtered clear pouring spout enabling a visual on the fuel flow plus sealed connection to prevent leaks.

Fuel containers should be adequately labelled and safely stored in a shed or garage.

Due to fuel stability, it is highly recommended Diesel is transported & dispensed immediately and not for storage over long periods.

For other fuel types, remember to use a **Fuel Stabilizer** which will protect the fuel from going stale.
