Hunter Women's Nebula Tall Wellington Boots Stornoway Blue

Utilising a two-tone iridescent finish that shimmers through metallic burgundy shades as it moves in the light, the Original Nebula Boot is given a dazzling new update. Perfect for any rainy day, these wellies are formed of natural rubber, hand-cut and assembled on a bespoke Aluminium last before being vulcanised for superior protection. Featuring Hunters iconic tread pattern and a comfortable polyester lining, this seasons must have for fun, festivals and your favourite country show.

Note: The base rubber colour is blue however due to the unique iridescent finish, in some lights it may appear a different shade.

UK Sizes: 3-8.

Like these Hunter Nebula Iridescent Wellies? Why not browse more styles in our extensive **Women's Welly** range.

Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
