## Description

The Atco Classic 18s is powered by a 139cc Auto-choke engine and ensures quick and easy starting, Low fuel costs and reduced emissions. The robust 46cm steel cutter deck with anti-scalp plate is designed to minimise scalping and improve the cut.

The centralised cutting height uses a single lever which you can easily adjust the height of cut to 6 position ranging from 22 – 80mm for the perfect cut every time. The 60 litre grass collector features an indicator to show when the bag is full. Easy to remove for emptying and collapsible for storage.

The Ergonomic handlebar can be folded forward for easier storage and the shape ensures a comfortable grip during usage.

A mulching plug is also supplied which chops the clippings into extra fine particles and recycles them back into the lawn to fertilise and add valuable nutrients.

We are an authorised **Atco** dealer and can provide full service back up and maintenance for your Atco equipment.
