Woco Supercote Enamel Gloss Industrial/Machinery Paint

42-76046p

Description

Woco Supercote Enamel Gloss Industrial/Machinery Paint

Industrial/Machinery Paint - A synthetic, fast drying, paint which exhibits a high gloss finish and offers excellent durability.
This product has a wide range of uses but is particularly suitable for vehicle refinishing and agricultural applications.
Available in an extensive range of OEM, RAL, BS4800 and BS381c colours.

Preparation required varies according to the surface to be painted but note that preparation is the key to a successful outcome of any decorating task and it may well take longer than the painting of the area itself.
