Description

Tubtrug 38L Flexible Bucket

This 38 Litre Tubtrug is a must have all-purpose bucket which can be put to good use in any home.

Available in a range of sizes and colours, they are an everyday essential for the farming and equine community with any number of other inventive uses.

Stackable, they have superior flexibility, an important safety feature in the stable or barn ensuring your livestock are not injured through trampling or overzealous play.

The Tubtrug can withstand the rigours of outdoor use too and will outlast inferior products that have a tendency to breakdown in extreme weather conditions.
