Description

Fenceman CP900 Fencer Energizer Unit

This CP900 is a constant powerful energiser ideal for long fences or larger paddocks up to 7km.

Mains or 12V battery powered with internal D cell back up for added security, this unit is solar ready when connected to Fenceman's 20W Solar Power Kit.

Features include adjustable pulse power settings (.86-0.43J), stake stand, fence connect cable and earth stake connection wire.

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
