Bollé Rush Safety Glasses

The all-round vision, lightweight RUSH model offers perfect optical quality, maximum comfort and a modern design.

Resisting low energy impact, the spectacles provide upper protection from the frame along with an adjustable non-slip bridge to sit perfectly on the face and TIPGRIP temples for extended comfort wear.

Features HD & Twilight technology for exceptional clarity & light vision with a double anti-fog coating on both sides of the lens to prevent fogging in the most challenging of conditions.

Available in • Clear • Smoke • Twilight.

Certified: Frames (EN166 FT) & Lens (1 FT).

Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
