Description

Miracle Gro Fish, Blood & Bone Natural Plant Food

A great all purpose plant food which contains the three main suppliants containing vital properties to give your soil a much needed fertility boost and promote healthy growth.

Organic Nitrogen encourages strong and healthy growth and continues to slow release for up to 8 weeks producing rich, green foliage.

Phosphate slowly and steadily promotes vigorous root growth.

Potassium promotes flower production and improve ripening of fruit and vegetables.

Can also be used as a top dressing on lawns.

Easy to use pellets for a quick & satisfying application.

Available in 3kg or 10kg tubs.

Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
