## Husqvarna 420 Automower

Well-equipped large size robotic mower for efficient mowing of challenging grass areas. Suitable for larger areas up to 2200 m<sup>2</sup> and can handle steep slopes with an incline of as much as 45%. Smart technology adapts the amount of mowing to the lawn's growth rate, enables spot mowing of a limited area of longer grass and guides the mower through narrow passages. The intuitive menu on the large, user-friendly display allows personal settings for when you'd like the machine to mow. Polar white colour is available as an option.
