

## **Description**

## Silky Natanoko 60 3308 Saw

The Natanoko is a balanced, ultra-durable hand saw with a 13-inch, straight, single construction blade. The curved handle adds depth and strength. Mono construction gives strength and flexibility to the full length of the saw. Superbly designed rubber hand-grip encases the blade extension to absorb vibration while cutting. The precision-ground, razor sharp blade provide fast, clean and extremely smooth cutting action.

## **Contact us**

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
