

Husqvarna 525BX Blower

HV-525BX

Our Price: £380

Description

Husqvarna 525BX Blower

The **Husqvarna 525BX** is a powerful and well-balanced handheld blower for professional use. The patented X-torq engine technology in combination with the special fan and housing design, the **Husqvarna 525BX** has a high blowing capacity that is easy to control. The anti-vibration system Low Vib makes work less strenuous - even during long shifts. With intuitive controls such as Cruise Control, the **525BX** has efficient and convenient operation at all times.

Husqvarna 525BX Blower

HV-525BX

X-Torq engine - The X-Torq® engine design increases torque over a wider rpm range providing maximum cutting power.

Adjustable tube length - The blowing tube length is adjustable for best performance.

Auto return stop switch - Stop switch automatically resets to the ON position for trouble-free starting.

Husqvarna 525BX Blower
