Description

Le Chameau Men's Ceres Soufflet Jersey Adjustable Wellingtons

A jersey-lined, adjustable agricultural boot combined with the performance of a Michelin® Agri sole with Ultraflex Technologies.

The Ceres boot has been developed and tested by agricultural professionals and provides an enhanced grip thanks to a bigger sole keeping constant contact with the ground when walking.

Featuring a rear gusset for a comfort fit, the boot is resistant to abrasion, cuts & scrapes and benefits from a self-cleaning system to dislodge earth as the foot flexes.

A hard wearing everyday boot for those who spend a lot of time on the land.
