## Description

### Tractor Ted All About Harvesters DVD

Tractor Ted shows us lots huge harvesters and we get to see the amazing work that they do harvesting food for us and for the farm animals.

Farmer Tom is busy on the farm getting in the maize. Luckily the children are there to save the farmer before he loses the grain from his combine!

There are lots of great harvesters to watch as they harvest crops from sugar beet to peas, potatoes and wheat.

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
